We are working hard to wrap up the 2017-18 school year. There is still much to do. Did you know that the students complete curriculum all of the way to the last day? We have carved out a few fun, spring items for them like... fieldtrips, Achievement parties, Fredbird's visit and field day. Join us if you would like for these events. I would love to see you, too. The end of the school year is so hard for me. I love my summer friends who still work in the building, BUT NOTHING replaces the children in a school.

- Mrs. Jamieson and Mrs. LaRussa what a great 2nd STEAM Night for FHE. Thank YOU ladies.
- We will likely add students at FHE. So, we are increasing our teacher staff at certain grade levels to meet the needs of our students as we anticipate growth. Students will be using the cabin spaces for classrooms for one more year. I am anticipating some 2nd and 3rd grade using classrooms for in 2018-19.
- MAP testing is complete! We will have results in the late summer and they will be shared with parents at that time. Your children worked really hard.
- **Mark your calendars –“Updated with the one snow day”- May 22nd is now a full day of school. May 23rd is the last day, field day, and is a 1:10 dismissal!**
- **5th grade will have their final walk at the end of the day! They will be invited to parade and be first to leave the building at dismissal. All other grades will be dismissed after 5th grade’s hallway parade.**

Flint Hill PTC,

Thank you **ALL** so much from all of the staff at Flint Hill for the great Appreciation Week. You truly made us feel loved. We had a wonderful week of surprises, food and fun! Teaching children is what we love to do each day! Doing our job with our extended family's support, only makes it better!
