

The Flint Hill Flyer

Did you know that I get to listen in on all kinds of lessons on my flights around the building? I learn about bar models in math, CVC words in reading, and all kinds of cool things in all the different grade levels. This week our Firebirds have been learning about Dr. Martin Luther King Jr., his dream, and how we can continue his work in our daily lives. Due to the snow day, some classes will continue these lessons after the holiday.
