### Notes from the Principals

We had a great time celebrating reading last week! You can see some of our pictures from the spirit days below. We hope you had the opportunity to read a book as a family. Remember, the book fair is open for one more week if you would like new books for spring and summer reading!

It is that time again to inquire about interest for PTC officers, Vice President Christina Preiser, and Treasurer Paula Stroud have agreed to stay on and complete another year in their positions for our Firebirds. After a wonderful two years, President Crystal Emmons has decided to move on to other endeavors. So, this opens the position for President and Secretary (which did not fill last year). If you are interested in serving in one of these roles, please reach out to any PTC officer or Mrs. Mueller to express your interest or ask about what is involved in holding one of these positions. We are grateful to all of our volunteers for Flint Hill staff and students and look forward to continuing our work for our Firebirds in the future. Elections will be held in April if necessary.

Thank you for your generosity during the Kids Heart Challenge last month. We crushed our goal, raising over \$9,500! Wow! What an incredible effort from Mrs. Bauer and the entire Flint Hill Community! We will hang a banner in the gym until next year's Kids Heart Challenge bearing the name of our top fundraiser, Miss Laurel Timm who raised money in honor of her grandfather. Congratulations, Laurel, and congratulations to all our Firebirds for helping the American Heart Association.

Speaking of generosity, our last Dine to Donate night at Texas Roadhouse raised about \$63, which is great! However, the restaurant wanted to help our school in this unusual year and doubled the donation to \$125! We are so grateful for this contribution and to all of our families who have been able to support one of our Dine to Donate events this year.

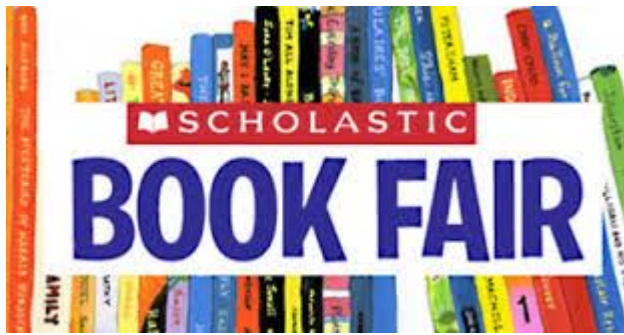

Have a wonderful week, Firebird Families!  
Mrs. Mueller and Ms. Bahan

Did you hear the sirens on Tuesday morning at 10 AM? We reviewed our tornado procedures when we heard the sirens sound. Have you made your severe weather plans with your family? It is a good idea to review your plans and change the batteries in the flashlights prior to hearing the sirens sound for the first time this season. We hope we will not need it, but Flint Hill does have a storm shelter in the center of our primary wing. (Mrs. Bauer's gym)

## Kids Heart Challenge

Dear Flint Hill Families,  
I want to thank you all for your support of this year's Kids Heart Challenge Program. As you may remember, I wanted to have a successful program year in my sister's memory, as she passed away from a stroke back in August. WE DID IT! This year, our school raised over \$9,500 in donations! I am so proud of our school family and, again, want to thank you for supporting this cause during a time when so many of us are challenged by the pandemic and how it has affected us all.  
Flint Hill Families have shown just how caring and compassionate our community can be!  
I am working to place the order for the "Thank-You Gifts" (spaghetti yoyos, t-shirts, playground balls, socks etc.) so that the students can get those items in their hands in a few weeks. If you are still wanting to make a donation, I will NEVER turn that money away, will certainly make sure it gets to the Heart Association, and work so that your child gets his or her gifts. Feel free to contact me with any questions at [bauer@fz.k12.mo.us](mailto:bauer@fz.k12.mo.us)  
So THANKFUL to be a Flint Hill Firebird!  
Mrs. Bauer
